TEKS K.2.C.i Spell words with VC, CVC, and CCVC; **TEKS K.2.C.ii** Spell words using sound-spelling patterns; **TEKS K.2.C.iii** Spell high-frequency words from a research-based list. **ELPS 5.C.i Writing; 5.C.ii Writing; 5.C.iii Writing**

Directions Say: Short e is often spelled e in words with three letters. Some words do not follow a pattern, so we have to remember how to spell them. Have students determine if each word follows the CVC pattern. Then have them spell and write the CVC words in the left column and the high-frequency words in the right column.
