

High-Frequency Words

Minilesson

FOCUS ON STRATEGIES Review with students that high-frequency words are words they need to learn by remembering the letters. Provide instruction by discussing relevant examples of high-frequency words.

MODEL AND PRACTICE Have students read the words in the box at the top of *SI* p. 552. Call on one or more students to give an example of something that happened in school recently. Have them reply using a full sentence. Ask what products they like to eat. Ask how many hours they spend doing homework.

APPLY My TURN Have students complete the activity on *SI* p. 552.

TURN, TALK, AND SHARE Have pairs complete the activity on *SI* p. 552.

STUDENT INTERACTIVE, p. 552

HIGH-FREQUENCY WORDS | DECODABLE TEXT

My Words to Know

Some words are used often. These words are called high-frequency words. You will have to remember these words. Often, you can't sound them out.

 **MY TURN** Read the words in the box. Write the word from the box that goes in each sentence. Form the letters correctly as you write each word. Use connecting strokes to connect the letters. Then read the sentences.

hours

products

happened

1. You missed the race. It *happened* two days ago.
2. The grocery store sells all kinds of dairy *products*.
3. Ed wakes up two *hours* before school.

 **TURN and TALK** Work with a partner. Take turns answering these questions. Use the words from the box in your answers.

1. Do you think students should spend more **hours** in school? Explain.
2. Name your favorite **products** at the grocery store.
3. What is the funniest thing that ever **happened** to you?
