 **TEKS K.2.B.iv** Identify and read at least 25 high-frequency words from a research-based list. **ELPS 4.C.iv Reading; 4.D.i Reading**

**Directions** Model: There are some words we will see a lot when we read. Listen as I read these words: *a*, *to*, *like*. Have students read the high-frequency words. Then say: You can identify, or find, the words in sentences. Look at the sentences and underline the words *a*, *to*, and *like*. Have students read the sentences, using the words *bat* and *mitt* to name the images.
