

Automated Assessment of Oral Reading Fluency— at School or Home

Monitor Progress and Save Time!

Moby.Read™ uses speech recognition and scoring technologies to automate the assessment experience, save teacher time, and increase assessment accuracy in and out of the classroom.

Use with any K-5 Literacy program!

Benefits of Moby.Read

Moby.Read is a **fully automated** oral reading assessment for Grades K-5 that provides **3 Benchmark Assessments** so you can see students' progression.

Saves Time & Money

Moby.Read allows you to focus on improving student's reading skills, not assessing them.

It Works

Standards-aligned, Moby.Read uses proprietary speech recognition and scoring technology to maximize accuracy.

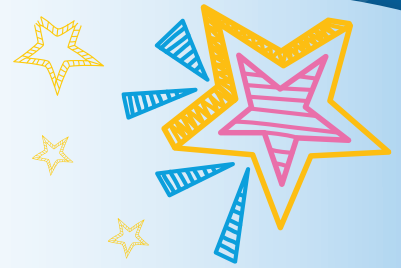

Engages Students

Moby.Read is a fun and engaging assessment so students feel comfortable and confident.

How Moby.Read Works

MEASURES CRITICAL READING SKILLS

Moby.Read measures reading level, accurate reading rate, accuracy percentage, comprehension, and expression.

RECORDS STUDENTS' PERFORMANCE

Students enjoy independence while teachers gain more instruction time.

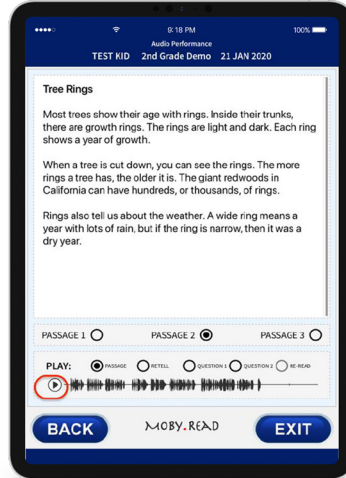

MODELS FLUENT READING

Students can hear a model reading, then re-read passages aloud.

ENGAGES YOUNG READERS (GRADES K-5)

Students read short passages aloud, then retell the passages and answer questions in their own voice.

REPORTS IN REAL TIME

Immediately reports key reading skill scores and shows trend data.

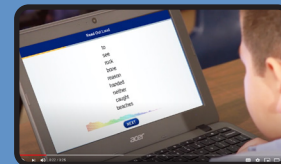

FULLY AUTOMATED & SELF ADMINISTERED

Students enjoy independence while teachers benefit from automated scoring.

REPORT CATEGORIES*

- Reading Level (with F & P Equivalence)
